10.00 - 10.30      *Discussion*

10.30 - 11.00 *Coffee-break*

## Preliminary Scientific Programme

### **Session IV: Free communications**

*Chairpersons: Paola Viterbori , Rosanna Gusmano*

11.00 – 13.00

13.00 – 14.30      *Lunch*

### **Workshop (tavola rotonda)**

*Transplantation: present and future problems*

*Chairpersons: Ezio Casari, Thomas Lennert*

- 14.30 16.30    *The loss of the transplanted kidney: what divides and puts together the transplanted patient and the donor (Ezio Casari)*  
*Relationship between donors and pediatric recipients ( Baines L.S. –Glasgow) **aspettare conferma***  
*Immunosuppressive treatment and malignancy (Fabrizio Ginevri - Genoa)*
- 16.30          *Ethical issue (Ezio Casari)*

**Saturday May 28, 2005**

### **Session V: Noncompliance and quality of life**

*Rita Lombaerts van Damme, Michele Tosato*

- 8.30 - 9.00          *Measurement methods in comparison (Dirk Bethe - Heidelberg)*  
9.00 - 09.30        *Normal and pathological dependence (Gianluca Carlini)*  
09.30 - 10.00      *Progression of chronic renal diseases (Willem Proesmans - Leuven)*  
10.00 - 10.30      *Noncompliance of peritoneal dialysis patients (Enrico Verrina – Genoa)*  
10.30 – 11.00      *Discussion*
- 11.00 - 11.30      *Coffee-break*

### **Session VI: Attachment and renal disease**

*Donatella Cavanna, Willi Proesmans*

- 11.30            12.00 *Tavistock approach (Milvia Morra – Genoa)*  
12.00            12.30 *The role of attachment (Rosalinda Cassibba, Bari – Gabriella Coppola, Chieti)*  
12.30            13.00 *Attachment in chronic renal diseases (Michele Tosato – Genoa)*  
13.00            13.30 *Discussion*
